SAINT PATRICK'S CHURCH

Elegant New Structure to Be Dedi-
cated Sunday Morning,
June 26th

The new Saint Patrick's Church at Maysville
is to be dedicated Sunday morning, June 26th,
with imposing ceremonies, by Rt. Rev. Bishop
Camillus P. Maes of Covington assisting Rev.
Fether Jones, the Pastor. A number of the
Church hierarchy from prominent cities will
also be in attendance, and the occasion is to be
made the most notable one ever enjoyed by the
Catholics of Northeastern Kentucky.

The elegant new building is now nearing
completion, and next week the finished struc-
ture will be in possession of the architect, nat-
uring builder and Pastor, the Rev. Father
Patrick M. Jones, who has been so patient and
patient in the erection of the handsome
Church building in all this part of the State.

THE PUBLIC LEDGER acknowledges the re-
ceipt of the following invitation to attend the
dedication exercises:

DANGEROUSLY HURT

School Child Almost Trampled to
Death Under Horses Hoofs

Violet, the bright and pretty eight-year-old
daughter of Mr. and Mrs. R. S. Schwartz of
Forest avenue, narrowly escaped being
trampled to death yesterday morning.

Violet is one of the better pupils at the
Fifth Ward School, having a record of
never being tardy or missing a day at school
in the past several years, and it was during
recess hour at play in front of the building
when the unfortunate accident occurred.

The children were on the pavement opposite
the school building when the bell sounded the
recall to books and study, and little Violet
gleefully called to her companions—"hurry
on," at the same time moving backward into
the street unaware of a passing two-horse
wagon, and before realizing her danger hacked
right in front of the moving team and almost
to her death.

Although the driver was quick in halting
his horses and reaching the side of the little
victim, the cruel hoofs had wrought, fearful
and painful injury.

The bruised and frail little body was rescued
from its peril and tenderly conveyed to the
home of her parents, where she remained un-
conscious for over an hour.

A long cut under the chin required five
stitches and a deep gash in the back of the
head two stitches. The shoulders, arms, body
and foot were badly bruised from being tram-
pled by the horses hoofs. While the attending
physician lends hope that the injuries are not
necessarily of a fatal character, it remains to
develop whether or not there is an internal
injury.

FREE BOOK ON PILES

TELLS HOW TO CURE THEM WITH IN-
TERNAL MEDICINE

Do you know the cause of piles?
Is it internal or external?
Will salves, suppositories or cutting remove
the cause?
How can one be cured permanently?
Do you know how Dr. J. S. Leonhardt found
the cause and cure?
All these questions answered fully in a book-
let mailed free by Dr. Leonhardt Co., Station
B, Buffalo, N. Y., or at J. Jas. Wood & Son's
Drugstore, Maysville, Ky., who sell the suc-
cessful remedy, Hem-r-oid, under guarantee, at
\$1 per large bottle.

The cornerstone of the Coliseum of the
model town in Henderson county was laid
Monday, and announcement was made that no
Negroes will be allowed within the town limits,
either to live or work.

While C. and O. Railroad detectives in Cov-
ington were watching one set of freight cars
that had been broken open and goods pilfered,
robbers were busy about three squares away
hauling several wagon loads of goods, worth
about \$10,000, from another C. and O. train.
The thieves made good their escape.

Deafness Cannot be Cured
by local applications, as they cannot reach the dis-
eased portion of the ear. There is only one way to
cure deafness, and that is by constitutional reme-
dies. Deafness is caused by an inflamed condi-
tion of the mucous lining of the Eustachian tube.
When this tube is inflamed you have a rumbling
sound or imperfect hearing, and when it is entirely
closed, deafness is the result, and unless the in-
flammation can be taken out and this tube re-
stored to its normal condition, hearing will be
destroyed forever; nine cases out of ten are caused
by Catarrh, which is nothing but an inflamed
condition of the mucous surfaces.
We will give One Hundred Dollars for any case
of deafness (caused by catarrh) that cannot be
cured by Hall's Catarrh Cure. Send for circulars
free.

died from the effects of the cold weather and
disease. Indications point to only a half crop
throughout the entire State this year.

Are They As Good As They Look?

That's the question put to us by many customers that are buying

THE SUITS WE NOW HAVE ON SALE AT \$12.75

Would they be any better if you paid \$20 and \$22.50 for them? For that is the price they sold for early in the season, is our reply. We are selling them to the best dressers in Maysville. We want our friends to take advantage of our purchase of this line of goods. Don't delay; they are rapidly going out.

We Are Also Making Liberal Reductions on Our \$25, \$27.50 and \$30 Suits!

We want to call your particular attention to our \$25 and \$27.50 Imported Blue Serge Suits that we have reduced to \$20 flat. This is less than we paid for them early in the season. However, the house we bought them of, one of the very best in the country, like many other manufacturers, suffered from the protracted cool weather. A cash offer for a round lot of them, which was accepted, enables us to sell this Suit at the above-quoted price.

The Boys' Blue Serge Suits we are selling at \$5 is a revelation to mothers, who are bringing their children in to fit them. We still have them in all sizes.

JURY POWER GONE

Trial Judge Now Meets Out Sentences Under New Law

A Jury in Kentucky can no longer fix the punishment in criminal cases. They can only find the person on trial guilty or innocent and the Judge in accordance with the statutes fixes the punishment.

This law enacted by the last Legislature went into effect Tuesday morning.

Heretofore the Jury not only had the power of finding the person guilty, but also of fixing the punishment.

There will be hundreds of thousands of dollars saved to the State because the hang Jury will be a thing of the past, a thing not heard of.
